Editor:	Jan Cundy	jan_cundy@yahoo.com
Advertising Coordinator:	Ann Bensted	ab10034@cam.ac.uk

The objectives of the association are to act as an intermediary between residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interests of Bar Hill. Opinions expressed in this publication are not necessarily those of the Association. Anonymous letters will not be published, but names and addresses may be withheld. This is a private publication and may not be reproduced in any way without the prior permission of the Bar Hill Residents' Association Committee.

ADVERTISING

All matters relating to advertising should be addressed to the Advertising Coordinator at: ab10034@cam.ac.uk. Quarter-page adverts cost £16.50 per month and must be submitted by the 1st of the month prior to inclusion. These ads are for local businesses and we guarantee publication, but this often results in a waiting list. To help overcome this, we publish Maxi and Mini ads which appear throughout the publication. We cannot guarantee their inclusion, though, due to restrictions of space. Maxi ads (6cmx4½cm – 9cmx6cm) are £8.50 per month; Mini ads (6cmx2cm – 6cmx4cm) are £5 per month, and should be submitted by 15th of the month prior to their inclusion.

EDITORIAL

There is no charge for Articles, What's On, For Sale or Lost and Found. These appear at the Editor's discretion. Please submit items by 15th of the month. [Items offered For Sale will be advertised in two consecutive editions, so please let the Editor know if the item(s) sell after the first time.] All items can be submitted electronically on disk or to bhneditor@yahoo.com [a Word file is best, please] or hard copy via Parish Council Office.

HEIDI ALLEN, MP

As you probably now know, on 20th February I announced my resignation from the Conservative Party and joined The Independent Group of MPs. This was an incredibly difficult decision but I believe our country deserves better. More competence, more collaboration, more expert analysis, more transparency, more care, more fairness and less entrenched political ideology. So I have joined, alongside 10 other MPs of both Conservative and Labour backgrounds, The Independent Group. In time, our intention is to form a new political party, positioned in the centre ground of British politics. More information, including my resignation letter and statement can be found on my website – <https://www.heidiallen.co.uk/>

I know that not everyone will be happy, but I can honestly say I have been bowled over by the overwhelming support that literally thousands of my constituents have shown for my decision. It means so much to me to know that my decision, hard though it was, has been received so well locally.

Now – back to the day job!

I am pleased to see that Cambourne features as a location for a possible new station. As we have good railway connections in the South of the constituency already, I really do feel we should be concentrating our priorities in the North. These are very early scoping corridors and we all have a role to play in feeding in our views!

From rail to buses and cycleways: the Greater Cambridge Partnership has published its consultation on phase 2 of the Cambourne to Cambridge Better Public Transport Project. The consultation seeks views on the link west of Maddingley Mulch roundabout to Bourn Airfield and on to Cambourne, and a new Park & Ride facility. Full details: <https://www.greatercambridge.org.uk/transport/transport-projects/cambourne-to-cambridge/cambourne-to-cambridge-phase-2/>

As I said at the beginning, it's business as usual and if there is anything you would like to talk to me about, my upcoming surgeries are:

- Friday 5th April between 3.30–5pm, I'll be at Bar Hill Tesco, CB23 8EL.
- Saturday 6th April between 10.30am–12.30pm is a "Drop in" surgery at Abbeyfield, Girton Green, Wellbrook Way, Girton CB3 0GQ. No appointment necessary!
- My next "by appointment surgery" will be Thursday 2nd May between 3–5pm at my office in Hardwick. If you would like an appointment, please call my office on 01223 830037.

In the meantime, if you would like to contact me, please email heidi.allen.mp@parliament.uk or call my office.

Dam Brook/Hollytrees Stream – although the works to the banks were delayed due to the presence of the water voles, which of course are protected, we are pleased to report that we can now go ahead with the planned programme of works during March and April.

The Autumn/Winter programme of tree and green works has been completed on schedule and on budget.

Grasscutting is scheduled to commence from around 18 March 2019. We hope the weather holds so that after the first couple of cuts all our green spaces are looking neat and tidy for everyone to enjoy.

The **Ranger service** has completed works on widening and clearing vegetation around footpaths in the Acorn Avenue and Foxhollow areas of the village.

Several residents have recently commented on the poor state of the land and trees opposite the PC office. This is private land owned by Tesco and as such we have no control of the up-keep of this area.

Play Areas The new picnic table for Jubilee Park, near the new play equipment was delivered in March and will soon be in place.

In response to requests we have decided to try 'Meet the Councillor' sessions where residents can book an appointment to discuss issues direct with Councillors. Sessions are planned for the end of each month: Future dates: 29 April, and 20 May, 10am–12. Please contact the Parish Council office to book your appointment, 01954 780456

There are two actions that the Parish Council will regard very seriously and not tolerate. One being **flytipping** (including garden waste deposited on Parish Council land), the other allowing **dog fouling** in public spaces. Both of these are an offence and carry hefty fines. If you witness either of these please report direct to South Cambs District Council with full details immediately – <https://www.scambs.gov.uk/report-it> or T: 03450 450 063.

Residents are reminded that it is the policy of Bar Hill Parish Council to not respond to anonymous letters/emails/telephone calls. Please send all communications to the Parish Clerk at the Parish Council Office giving your name, address and if possible email address/telephone number, so that the Council may contact you to discuss your concerns further/obtain further information etc. as necessary. The Council respects the wishes of residents regarding confidentiality as requested. Any concerns about footpaths and road surfaces, including the perimeter road, please contact Cambridgeshire County Council on <https://www.cambridgeshire.gov.uk/residents/travel-roads-and-parking/roads-and-pathways/roadworks-and-faults/> For streetlight outtages please report urgently to <http://www.lightingcambridgeshire.com/contact-us/report-fault.htm> or call 0800 7838247.

— BAR HILL CRICKET CLUB —

Our preparations for the new season begin to really kick in on Saturday 6th April when we will be taking part in NatWest Cricket Force.

As well as a chance to work on the pitch, check our equipment and tidy up our storage, it is also a chance for youth and adult members to

come and meet us and complete their membership sign-up for the season.

The adult membership fee is £10, with match fees also payable, while the youth membership fee is £25 for the whole season, with no extra charges.

On signing up, youth players will also receive free kit (whites – shirt and trousers), while this season, adult members will also be given a free playing shirt as part of our sponsorship by Tesco Mobile.

Youth training nights start on Wednesday 24th April at the village green, from 6-7pm (weather permitting), with coaches Dave Allsopp and Peter Stockton once again in charge. All ages are welcome and playing equipment is provided.

Remember, we are a Clubmark accredited club, which means we are officially a well-run club which puts the players' welfare and enjoyment at the heart of what we do. We will also be playing in the CYCA Under-13 Pairs League again this season. Matches will be on Thursdays and the first one is at home to Fulbourn Institute on 9th May.

— BAR HILL CHILDMINDERS —

Bar Hill Childminders work as a close network of childcare professionals who offer a warm, friendly and loving home from home environment. We use the comfort of our homes as a base and can also offer your children day trips, outdoor experiences and taking part in local groups/community events. We offer flexibility in working hours to suit you and your child's needs rather than set session times. Your child will receive individual attention and care as we progress them through the EYFS curriculum - child led play as well as structured activities will encourage them to grow and learn at their own pace, focusing on each child's individual needs.

Before/after school and holiday care for school aged children is available and leaves the stress out of your busy mornings and evenings.

We are Ofsted registered and inspected with 'Good' and 'Outstanding' inspection outcomes and are fully insured. We have access to childcare qualifications including level 3 in childcare. We all hold Paediatric First Aid certificates.

We welcome you to join us and have an informal chat at either of our friendly 'Little Bunnies' sessions, (open to any children 0-5yrs with a parent/carer), on Tuesday and Thursday mornings from 9.45-11.15am in the Octagon, term time only - £1.50 for one child under one, £2.50 for one child over one and £3.50 for 2 or more children, (£4.00 for 3 or more children Tuesday sessions only). Here we offer a wide range of sensory experiences, activities, stories, singing and more..

Some of our Childminders are now registered to offer Government Funded places for children aged 3 & 4 years old, 15-30 hours per week - 'Universal' and 'Extended', (+ qualifying 2 year olds). The Funded hours each week can be shared between a Childminder and your child's Pre-school and/or Nursery. Below is a list of our Childminders - those who offer Government Funding have a letter 'F' before their name:

— COUNTY COUNCILLOR'S REPORT —

In May 2018 at a meeting of full Council the decision was taken to move the council's headquarters from the six acre site at Shire Hall to a smaller, more flexible, purpose-built building at Alconbury Weald. It is planned that this will be a two storey building which is 'bright, efficient and flexible' and will incorporate a private wing for staff accommodating 350 desks, and a public reception area with informal meeting space. Council and committee meetings will take place in a multi-use 90 seater space which can be sub-divided into three rooms with the potential for community use. To view plans and read the forecast financial benefits please go to: <https://www.cambridgeshire.gov.uk/news/public-invited-to-view-council-plans-for-new-hq/>

Locally a re-procurement process has been going on for the Maple Surgery. By the time you are reading this I believe a letter will have been delivered to all homes where there is at least one patient, advising what the outcome is. If you are a Maple Surgery patient and you have NOT received a letter, please either contact the surgery or let me know. The number of applications for secondary school places in Cambridgeshire continues to rise. A total of 6,691 were received by the deadline of 31 October 2018. More than 5,990 [85.5%] were offered a place at their first preference school. This significant increase in applications is expected to continue and the county council is planning for this by working with existing schools to increase capacity and through planning for new secondary schools in the areas where demand is greatest. Planned investment for this is £200m between 2019 and 2024.

Thank you to all of you who have been in touch recently. Please do continue to contact me with your views and questions on the issues that are important to you.

— VILLAGE HALL —
01954 782892

Bar Hill Preschool is open 9am–3pm Monday to Friday, term time for children aged 2–5 years. We offer sessions through the Early years funding scheme, funded two's and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities that children learn and develop skills through play in a safe and inviting environment.

Our keyperson and buddy system ensures every child is well supported by qualified practitioners who have a wealth of experience. We work in partnership with parents and our online learning journal supports this by providing families with regular information on the child's development and next steps identified, parents can upload evidence from home too and add their own comments.

Our inside area provides views across the village green in a inviting and welcoming atmosphere. Children can access toys and equipment independently. Skills are developed through activities and routines e.g. children help to prepare snack with safety knives and learn about how to stay healthy. Lunch clubs are a social time and adults sit at tables with children while they eat own packed lunch, encouraging friendships and social skills.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to exploring the mud kitchen, large sand pit and our sensory garden.

We welcome visitors from the local community that support our curriculum further.

Interested? You can find out more information on our website www.barhillpreschool.co.uk or call us on 01954 782892 to book an informal visit or for an application form.

BAR HILL COLTS U11 TORNADES

Currently school year 5 and 6, we have 2 teams entered in the Cambridge Colts League, the Blue's and White's, that offer different challenges and opportunities with regards to player development.

The White team offer the opportunity for players to continue to progress along (or begin) their footballing development journey within a positive and supportive team environment.

The Blue team offer the opportunity for players that are looking to test themselves against the strongest teams to further accelerate their own development within a positive and supportive team environment.

Both teams are looking to build our squads particularly ahead of moving to 11 a side football in a couple of years. We will be holding an open training session for all new and current players on Saturday 11th May from 10–11.30am ahead of moving to U12 next season (school years 6 and 7 from September 2019).

So if players are new to football, new to the area or looking to further develop their football skills then please get in contact for further details and to register your interest: joeegan1507@gmail.com

Bar Hill Primary School

In assembly I asked the children to reflect on things they had enjoyed this term. I asked a representative from each class to share their thoughts and the children shared a wide range of areas – trips, friends, writing, music, physical activities, science, mathematics and much more. I value the diversity of our children's interests and the way they challenge themselves. Our values underpin our school community and are key to our children's success.

We always appreciate the support that we receive from the local community to support our provision of a broad curriculum. As part of our science curriculum we received the support of 'Cambridge Launch Pad' whose aim is to inspire young people to participate in STEM (Science, technology, engineering and mathematics). Our children from years four and five enjoyed participating in an interactive project day. Visitors from Cambridge Regional College worked with our Reception children. The children had a great day extending their learning about 'people who help us'.

The annual Primary Adapted Multi Sport Competition took place with children from across the Cambridge & South Cambridge School Sports Partnerships taking part. The children competing in pairs and they rotated around different sports including Table Cricket and New Age Kurling. The event was very much about the children having an enjoyable experience and trying out some new sports, with an element of competition added in. A record number of 94 children with additional needs, which could be physical, learning, sensory, or a combination of these took part in the event. The final positions were extremely close, and we were proud that Bar Hill came first.

Bar Hill has always had strong International links and we have recently welcomed two visitors from Sweden who were interested in the early intervention activities that we provide at Bar Hill and the way we engage children in learning.

Our whole school focus this year has been writing and I have been particularly impressed with the progress of the Infant children who are clearly developing a love of writing. The children in Key Stage Two all enjoyed listening to the author, Inbali Iserles, about her experiences of writing.

We are now looking forward to our science focus week!

— NEIGHBOURHOOD WATCH —

How to keep your bike safe:

Bicycles can be some of the easiest vehicles for thieves and vandals to target. Protect yourself from becoming a victim by following some simple steps:

- Get a good bike lock.
- Lock your bike to something secure, even if only for a few minutes and avoid isolated places - leave your bike where a potential thief can be seen.
- Lock up removable parts (e.g. wheels) and take light fittings with you.
- Have your bike's frame security-marked or engraved.
- Take a clear colour photograph of your bike and make a written record of its description, including any unique features.
- At home, keep your bike in a secure garage or shed and keep the door locked.

— DISTRICT COUNCILLOR NOTES —

As you know Heidi Allen has resigned the conservative whip and South Cambs District Council Chief Executive has agreed to leave. I hope by the time you read this life will have settled back into normality but somehow I doubt it. Heidi has proved herself a good all round MP, working to help her constituents regardless of their politics. I am sorry she has made this decision but I value loyalty and integrity more than anything else so I am sure the Conservatives will pick themselves up and find another candidate ready for any election which may occur. I am also sorry that the South Cambs Chief Exec left her post on 1st March, the director of housing left last summer, the chief finance director left at Christmas and now South Cambs has one director who will be acting chief exec until posts are filled.

Empty property tax – it has been agreed to increase the council tax charged by South Cambs for empty properties. If the property has been empty for 2 years the council tax will be doubled and if the property has been empty 3 years it will be trebled in the hope that more houses will be brought back into use. There will be exemptions such as prolonged probate or tied cottages.

At the Council meeting in February the budget was discussed and accepted by the council. It involved a reduction in the reserve from £6million to £1 million and the resolve to raise £3 million over three years through investment.

The council has decided to aim to reduce the council's carbon footprint to zero by 2030. This will include more electric recharge points, reduction in the use of plastic, and increased criteria for house building and energy saving measures. Air Quality is also a priority so there will be an increase in monitoring points to determine key areas to be targeted.

Please contact me if you need any information or advice on these notes or other queries: Bunty Waters

— OVER DAY CENTRE —

VACANCY FOR NEW TRUSTEE

Over Day Centre is a registered charity that provides professional care, catering to individual needs, in an environment that is friendly, engaging and health and safety conscious. Established in 1989, we have many years of experience in the care sector and now serve a much larger South Cambridgeshire population than just the village of Over.

We support our clients in their desire to maintain social interaction and to stay as independent and active as possible. Our services also provide much needed support and/or respite for carers and families.

Over Day Centre is looking for a new trustee to join the forward-looking board, with an interest in enhancing facilities and services for the elderly. While some experience of governance would be an advantage, we are looking for a new team member able to contribute to overseeing and leading on the development of the Centre. Some experience in human resource management would be a plus – but this is not a pre-requisite.

The Centre has a strong band of volunteers, who help in a wide range of ways, and is strong financially. It organises a wide range of events both to benefit clients and to develop links with local businesses and organisations.

For more information please contact the Day Centre by phone 01954 231807 or email admin@overdaycentre.co.uk and our Chairman, Steve Couper, will get back you.
